

# NOTICE TO COMPETITORS No 1

## Clarification of Sailing Instruction No 10

### 10. Classes, Start Times and Class Flags

**The details set out in this SI are CORRECT**  
and will be used by each Member Club when starting the races in their Regatta (unless the details are specifically varied by a Club's Regatta Insert).

NOTE THAT:

The section of the Handbook which lists the various classes of boats around Belfast Lough does not form part of the Sailing Instructions and so should not be used as an indication of groups for Starting purposes.

The inclusion of the Ruffian Class (as Race 4) should be ignored as the class boat details should be subsumed into the list of the other keelboats (please see the list of boats on this website).

The Heading appearing before the list of keelboats in the BLYC Handbook should be ignored.
